Agenda Section Consent Business	Date 11/2/2015

Description

The City Council is asked to approve the new Grant Project Agreement with the Minnesota Department of Health (MDH), which allows the Public Health Division to continue providing local Temporary Assistance for Needy Families (TANF) program services.

TANF is a federally funded (but administered by each state) financial assistance program for low income documented families that have children and for pregnant women in their last three months of pregnancy. The program provides temporary financial assistance, while at the same time helps TANF recipients find jobs that will allow them to achieve self-sufficiency.

The term of the Agreement is from July 1, 2015 through June 30, 2017, with a total not-to-exceed value of \$347,776. Approval of this Agreement will not require a budget adjustment.

The City Attorney's office has reviewed and approved this Agreement.
